

Peace in the Heart

Is it possible to have a deep settled peace inspite of many temptations, discontentment, and troubles going on around you? Is there a way to overcome all these and at the same time have comfort and joy within our hearts...

Devine Peace Through Jesus ChristThe devil has many glittering things in the world to entice eternity bound souls away from God. So many of those things are like soap bubbles, they will soon burst and be gone, and we are left disappointed. The world has nothing to satisfy the longing of our soul. No matter how much of this world's goods we may possess, our soul's desire is not quenched until we yield to Jesus Christ and let him come into our hearts.Come unto me all ye that labor and are heavy laden, and I will give you rest. (Matthew 11:28) His Plan provides for peace and soul satisfaction. His desire is to be our Saviour to His honor and glory. Dear friend— Only Jesus Christ can satisfy the God given longing of the heart. The Lord will not turn any away that desire to love and serve Him. God's way satisfies our souls. His Salvation Plan is a personal and precious way, available to every man, woman, and child. No one has a corner on this wonderful salvation, it is a free gift to all who will accept it. By it we become an heir of God on His throne of grace. In Christ, our intercessor before God, there is sweet rest for our souls. Christ has purchased our salvation with His own precious blood. Oh! If souls could only see Jesus hanging on the cross, suffering and dying for them in loving provision for their need. In Him there is life and peace in the midst of all the follies of the world. Death is sure to come to each of us, and then the judgement before God. Salvation through Christ gives peace and hope in this life, and eternity with God, in happiness and bliss of Heaven. In contrast, passing out of this life unprepared to meet God is something awful and sad. Dear friend— turn to Jesus Christ in godly sorrow, with repentance, and receive the wonderful Salvation of God.
